2) Clearing services revenue

Clearing services revenue comprises clearing fees related to the assumption of obligations of financial instrument transactions carried out by Japan Securities Clearing Corporation.

During the consolidated cumulative second quarter, clearing services revenue increased 30.1% year-on-year to ¥11,671 million due to increases in trading of cash equity and derivatives, which are the main clearing product segments.

3) Listing services revenue

Listing services revenue comprises "Initial/Additional Listing Fees" that are received based on the issue amount when a company initially lists or when a listed company issues additional shares, and "Annual Listing Fees" received from listed companies based on their market capitalization.

During the consolidated cumulative second quarter, listing services revenue increased 9.3% year-on-year to ¥6,472 million.

4) Information services revenue

Information services revenue comprises revenue related to the provision of market information to information vendors, etc. (market information fees), revenue related to the index business, and revenue related to the provision of corporate action information and other information.

During the consolidated cumulative second quarter, information services revenue increased 11.9% year-on-year to ¥8,780 million due mainly to an increase in market information fees and an increase in index business revenue.

5) Other operating revenue

Other operating revenue includes the following main items:

- Usage fees for arrownet, which connects trading, market information and other systems to trading participants and other users;
- Usage fees related to co-location services that allow trading participants, information vendors, and other users to install devices in the system center for the purpose of improving trade execution efficiency by shortening order transmission time, etc.; and
- Revenue from system development and operations conducted by consolidated subsidiary TOSHO SYSTEM SERVICE CO., LTD.

During the consolidated cumulative second quarter, other operating revenue decreased 8.5% year-on-year to ¥4,068 million due mainly to a decrease in revenue from system development and operations.

Other	1,827	1,510	(17.4)

* Arrownet usage fees for the previous consolidated cumulative second quarter include revenue related to GATENET, provided by consolidated subsidiary Osaka Exchange, Inc., before network lines were integrated.

(Operating expenses)

During the consolidated cumulative second quarter, personnel expenses increased 2.4% year-on-year to ¥7,519 million.

System maintenance and operation expenses include expenses related to maintenance and management/operations of various systems including the cash equities and derivatives trading systems. During the consolidated cumulative second quarter, system maintenance and operation expenses decreased 6.1% year-on-year to ¥4,723 million due mainly to the integration of clearing systems and networks integration.

Depreciation and amortization decreased 28.1% year-on-year to ¥3,979 million due mainly to the end of the 5-year period for depreciation and amortization of the initial investment in the arrowhead cash equities trading system in the previous fiscal year.

Rent expenses on real estate decreased 21.4% year-on-year to ¥2,348 million due mainly to lower rent for the Tokyo Stock Exchange building.

During the consolidated cumulative second quarter, other operating expenses decreased 10.8% year-on-year to ¥4,730 million due mainly to decrease in costs in connection with system development projects.

(2) Explanation on Financial Position

(Assets, liabilities and equity)

For assets and liabilities of the Group, "clearing business financial assets and liabilities" assumed by Japan Securities Clearing Corporation as a clearing organization and "deposits from clearing participants" deposited by clearing participants as collateral are included under both assets and liabilities. "Clearing business financial assets and liabilities" and "deposits from clearing participants" have a large impact on the amount of assets and liabilities of the Group due to their sizable amounts and daily fluctuations subject to changes in clearing participants' positions. In addition, "legal guarantee funds," "trading participant security money," and "default compensation reserve funds" based on the rules for securing safety of financial instruments transactions are included under assets and liabilities or equity.

Total assets as of September 30, 2015 increased ¥2,194,750 million from the end of the previous fiscal year to ¥29,941,521 million as a result of increases in clearing business financial assets. Excluding clearing business financial assets, deposits from clearing participants, legal guarantee funds, and default compensation reserve funds, assets increased ¥8,439 million from the end of the previous fiscal year to ¥296,589 million.

Total liabilities as of September 30, 2015 increased ¥2,183,821 million from the end of the previous fiscal year to ¥29,689,028 million as a result of increases in clearing business financial liabilities. Excluding clearing business financial liabilities, deposits from clearing participants, legal guarantee funds, and trading participant security money, liabilities decreased ¥2,487 million from the end of the previous fiscal year to ¥64,606 million.

Total equity as of September 30, 2015 increased ¥10,928 million from the end of the previous fiscal year to ¥252,493 million due mainly to an increase in retained earnings in connection with recording of net income attributable to owners of the parent company. In addition, after excluding default compensation reserve funds, total equity was ¥224,545 million.

(3) Explanation on Forecast Information such as Consolidated Earnings Forecast, etc.

(i) Consolidated Earnings Forecast

There are no revisions to the consolidated earnings forecast from the forecast figures announced in the "Notice of Revision to Earnings Forecast and Dividend Forecast " on September 24, 2015 (hereinafter "previously disclosed material") .

The consolidated earnings forecast for the year ending March 31, 2016 is based on the assumptions that the average daily trading values and volumes are ¥3.0 trillion for stocks*, 39,000 contracts for 10-year JGB futures transactions, 100,000 contracts for TOPIX futures transactions, 223,000 contracts for Nikkei 225 futures transactions (including mini contract trading volume converted to large-sized contracts), and ¥27.0 billion for Nikkei 225 options transactions (excluding Weekly Options).

* The trading value of stocks listed on the TSE 1st and 2nd Sections, Mothers, JASDAQ, TOKYO PRO Market, ETFs, ETNs, and REITs (including auction and off-auction trading).

(ii) Dividends Forecast

There are no revisions to the dividend forecast from the forecast figures announced in previously disclosed material.

The Company adopts a dividend policy with a target payout ratio of about 60% tied to business performance while giving due consideration to the importance of internal reserves for the following purposes:

― Maintaining sound financial health as a financial instruments exchange group,
― Preparing for risks as a clearing organization, and
― Enabling the group to pursue investment opportunities to raise the competitiveness of its markets as they arise.
