Notice Regarding the Filing of a Lawsuit Against the Company

Datasection Inc. hereby announces that a lawsuit was filed against the Company on 12 February 2026, as described below.

1. Date on Which the Lawsuit was Filed

- (1) Court in which the lawsuit was filed: Tokyo District Court
- (2) Date of filing: 12 February 2026
- (3) Date of receipt of the complaint: 27 February 2026

2. Overview of the Plaintiff

- (1) Name: NHP Solution Co., Ltd.
- (2) Address: 6F X-PRESS Yurakucho, 2-2-1 Yurakucho, Chiyoda-ku, Tokyo, Japan
- (3) Representative: Takeshi Takano, Representative Director

3. Cause of the Lawsuit and Background Leading to the Filing

The lawsuit was filed by NHP Solution Co., Ltd., the contractor under a construction contract for the Company's AI infrastructure project, which the Company terminated prior to completion.

The plaintiff claims payment of construction costs corresponding to the difference in views between the parties regarding the percentage of work completed prior to the termination, as well as payment for additional construction work allegedly carried out without a written agreement the Company.

Note: The above-mentioned construction contract relates to the AI data centre construction project used for the provision of services associated with the large-scale order disclosed in the Company's announcement titled "Notice Regarding Receipt of Large-Scale Order," dated 10 July 2025.

4. Details of the Lawsuit

- (1) Nature of the claim: Claim for payment of contract consideration and related amounts
- (2) Amount claimed: USD 1,406,958 and JPY 91,518,047, together with delay damages

Note: The amount of USD 1,406,958 is equivalent to JPY 219,555,795, calculated at the closing exchange rate of JPY 156.05 per USD as of 27 February 2026.

5. Future Outlook

The Company will carefully examine the claims asserted by NHP Solution Co., Ltd. and the basis thereof, and will respond appropriately while asserting and substantiating the legitimacy of the Company's position.

At this stage, it is difficult to estimate the impact of this matter on the consolidated financial results of the Company and its group. Should any matters requiring disclosure arise in the future, the Company will promptly make an announcement.
